

NEED FUNDS FOR STUDY?

Are you looking for a career in engineering or IT? Want to complete your study with a job lined up after graduation?

Coleambally Irrigation Co-operative Ltd (CICL) in conjunction with the CEF Coleambally-Darlington Point are pleased to offer the CICL Grant Latta Bonded Scholarship.

Who can apply?

- You are eligible for a CEF grant
- You lived or attended secondary school in Coleambally, Darlington Point, Griffith, Leeton, Narrandera, Yanco, Jerilderie, Finley, Edward River, Hay, Hillston.
- You are studying an engineering or IT degree.
- You are willing and able to participate in paid work in summer and winter semester breaks.

What funding is available?

The scholarship value is \$5,000 for first year of study and \$7,500 the following years, until study is complete. You will be required to make satisfactory progress in your course.

Your scholarship funds are distributed as reimbursements to cover approved educational expenses like text books, travel, accommodation, technology.

On acceptance of the scholarship, you will commit to working with CICL for an agreed period. For full terms of the scholarship visit our website. cef.org.au/foundations/Coleambally-Darlington-Point

Applications close 25th November 2022
