A Bit of Boot Bash Inspiration

Here are some fundraising ideas to inspire your involvement in the CEF Boot Bash - but don't let these hold you back!

Boot Throwing Competition

Ask for a donation to enter the competition and see who has the skills to throw the boot the furthest.

Boot Bash Bingo

Sell tickets for the biggest bingo event of the year, a crowd favourite where everyone from 2-92 years old can get involved.

Boots To Buoys

Host an ocean swim or laps for students.

Morning or Afternoon Tea

Whether it's at work, school, or with family and friends, a morning or afternoon tea is sure to bring people together for a good cause. Encourage everyone to bring a plate to cut down costs and donate to the cause.

Hike for Higher Education

Encourage participants to pay to participate in the walk and/or each individual raises funds through their networks.

Fill a Boot Up

Challenge your friends, family and colleagues to see how quickly they can fill a boot up with cash to hit a Boot Bash target. You then level it up and guess how much is in the boot, the winner of the guessing competition wins a prize.

Trivia Night

Sell the tickets, host a raffle and get those creative questions flowing.

Line Dancing

It had to be suggested!

Raise funds through ticket sales to host a hoedown.

Casual 'Boots' Day

Request a gold coin donation for people to pull on their favourite boots at your school, university, community group or workplace.

Bake Sale

Sell some goodies for a good cause whether it is at school, work or a community event.
